BUSINESS TRAINING

HOPE Business Program

FOR STARTING AND GROWING YOUR BUSINESS

This dynamic business curriculum is designed for leaders who want to transform the lives of impoverished women and at-risk girls. It empowers participants who want to start and grow a business, find greater financial independence, and escape the threat of human trafficking. This 12-month program includes 20 weeks of formal instruction, a savings and microloan repayment component, and requires a moderate level of literacy for the participants.

HOPE Business Program

FOR GROWING YOUR BUSINESS

By means of this program, a leader can offer life-giving hope to impoverished women who want to grow their own small businesses through business training, equipping them with the skills to provide for their families and have a better life. It is a 12-month program with 16 weeks of formal instruction, a savings and microloan repayment component, and requires only minimal literacy for the participants.

HOPE Business Program

SCHOOL EDITION

This uniquely designed school-based program teaches basic principles of business and opens the door for students to envision greater possibilities for their lives. It is designed for both girls and boys who are completing their final year of schooling and anticipate transitioning into the marketplace. It is intended to be a one-semester class and involves no microloans.

MICROFINANCE

After purchasing *HBP for Starting and Growing Your Business* or *HBP for Growing Your Business* a global/national worker can apply to Get HOPE Global for microloans on behalf of a group of women or girls.

Once approved, these loans provide capital to launch or grow a small business. Support is available from HOPE throughout the duration of the program.

"From the beginning I felt like I was in good hands... Your service, rates, terms and professionalism impressed me. I could not be happier. Truthfully, we could not do this without you."

ATTA MENSAH

HOPE Program Leader
Global Opportunity Network, Ghana

"We knew we wanted to provide a business training and microlending program as a source of empowerment, and as we began working on a plan we learned of Get HOPE Global. It was like a gift placed at our feet: exactly what we needed at exactly the right time."

SHERRY NARON

CEO and Founder
Rescue Pink, India

"The results of the business training program were phenomenal. We couldn't be more pleased. At the graduation ceremony the testimonies from the women were unforgettable. Our organization highly recommends this curriculum, which we have used with over 100 women of all ages in Uganda with great success."
